Letter

Sir:

It seems that by error claim 14 in Applicant's amendment dated 30 October 2002 did not show, by brackets and underlines, the slight changes proposed to the claim. Nor did it show the commensurate changes to claims 15-18.

These are reflected in the appended redrafted amendment and, without such brackets and underlines, in fresh pages 22 and 23 to be substituted for the like-numbered pages of the substitute specification submitted under cover of the amendment of 30 October.

Remarks

The above changes do not introduce new matter into Applicant's original disclosure, and it is earnestly urged that they put the instant application into a condition for allowance which is courteously solicited.

Respectfully submitted,

Karl Hormann
